WINKITALY  
BESPOKE TRAVEL EXPERIENCE

## About Us

WinkItaly is a Luxury Tourism company specializing in bespoke travel packages to Italy.

WinkItaly was created in New York City by Silvia and Gino as they decided to combine their expertise in the luxury travel industry with their passions for their country of origin, Italy.

WinkItaly was founded to offer personalized trips to Italy with the concept being that luxury does not have to be synonymous with unaffordability. We believe that luxury travel is about the unique experiences that we will facilitate by designing a package that is specific to your tastes.

At WinkItaly, we believe in life's simple pleasures. Something as simple as having a fresh homemade pasta, or viewing a sunset from the Dolomites or savoring a glass of wine at a sea-front vineyard villa.

We will assist you with a customized itinerary that takes you from the moment you arrive at the airport seamlessly through your departure. Leave the worries of planning to us so that you are completely free to enjoy a truly authentic Italian experience.

Thank you and see you soon, or as we say in Italian, "Grazie e arrivederci"!

## *Food & Wine Experience*

The Italian food we know and love for its abundance of tastes consists of thousands of different dishes and culinary practices combined through the centuries in what today we call "Italian cuisine."

It involves a great variety of dishes and ingredients that amount to more than 5,000 regional specialties, more than 500 traditional local cheeses, at least 130 different grappa varieties, and more than 100 artisan chocolate manufacturers.

With its 20 wine regions and more than 400 native wine varieties, Italy is the world's largest producer of wine.

At WinkItaly, we can offer an exclusive and complete culinary and wine-tasting experience while you visit our country, ensuring that your tour of Tuscany, Piedmont, Campania, Sicily, Veneto, Lombardy, Trentino, Umbria, Marche or Puglia is an event you will never forget. Cheers, or...Salute!

## *Cooking Class Experience*

In Italy food is equivalent to culture.  
Who better than an  
authentic Italian chef could  
teach you  
the most traditional  
Italian recipes while preparing a  
fresh-made lasagna,  
a local organic-made  
pasta with a pesto sauce,  
or a classic  
delicious tiramisu?  
WinkItaly offers easy  
and enjoyable  
private cooking classes  
in historic locations,  
guaranteeing a memorable  
culinary experience  
in line with truly authentic  
Italian traditions.

## *Nature & Adventures*

Italy offers breathtaking landscapes and still untouched natural sights.

The best and most fun way to discover them is through many outdoor activities that you can choose to experience in the Alps, on the Etna volcano in Sicily, or while visiting the crystal-clear waters and wonderful coastlines of Sardinia, Sicily or Apulia.

WinkItaly can arrange activities such as trekking, hiking, skiing, kayaking, mountain biking, diving and snorkeling, all escorted by our bilingual guides and instructors.

## *Seaside Wonders*

Italy counts more than 4,500 miles  
of coastline from Liguria  
and its Riviera  
(with Portofino, Rapallo,  
the Cinque Terre) to Tuscany  
(with its sandy beaches of Versilia,  
Forte dei Marmi  
and the Maremma region),  
to the Amalfi coast  
down south (with its islands  
of Ischia and Capri),  
and to the main islands  
of Sicily and Sardinia.  
These are all great  
destinations  
for enjoying in pure relaxation  
the incomparable charm of Italian  
culture and food.

## *Lake Discoveries*

Italian lakes have inspired many artists and poets over the years because of their unique beauty and charm. The lakes of Como, Garda and Maggiore are among the most beautiful and renowned lakes in Europe.

WinkItaly can help you find your own inspiration while sipping a glass of wine on the terrace of the Grand Hotel Villa d'Este in Como or while having an aperitif on the waterfront of the Lido Palace Hotel in Riva del Garda.

WinkItaly can also arrange private boat tours and transfers upon request.

## Culture

Because of its centuries-old history,  
Italy is without equal  
in its culture and diversity of arts.  
Be enchanted by Italy's  
majestic monuments,  
its churches rich  
in spiritual heritage and treasures,  
its magnificent palaces,  
and lavish villas worthy of the finest  
and oldest European aristocracy.  
WinkItaly has access to many  
of these hidden gems  
and will be happy and proud to show  
you the secrets that these gems can still tell.  
WinkItaly has selected the best local bilingual  
guides for your private tours in  
any region you chose to visit to ensure  
your total relaxation  
and peace of mind.

## *Mountain Adventures*

Italy shares with France, Austria, Switzerland and Slovenia the natural paradise of the Alps with their high and rocky peaks reaching heights of over 4,800 meters (almost 16,000 feet at Mont Blanc).

In addition to being known as the background landscape for many iconic movies like *Where Eagles Dare* and *Cliffhanger*, the Alps offer the best scenery you could imagine for your summer hiking or winter skiing.

The glamour of renowned towns like Cortina d'Ampezzo (in the Veneto region), Ortisei (in Trentino) or Gressoney Saint Jean (in Valle d'Aosta) provides the perfect starting point for year-round adventures.
